"OKA"

Soft-feeling on the tongue, Oka's transparency of flavour matches the clarity of the colourless liquor. Its floral rather than fruity, delightful, flower bouquet with a touch of pear and melon.

"Koshiki Junzukuri"

Akitabare is the kind of sake one can drink enjoyably for hours at stretch. It is subdued, understated refinement evokes a sense of the northern province where it is meticulously brewed. Pleasingly dry and quiet mild, a well-crafted traditional sake.

"Sho Chiku Bai Shirakabaegura"

Superb as an aperitif, excellent when paired with acidic or richer flavours and a great complement to dessert. The lively aroma of muscat grape and fruit ushers in a gentle sweetness followed by a refreshingly crisp finish.
